# TUESDAY TABLES

Had a declutter and now need to pass on items you no longer need?

How about running a Tuesday Tables?

This is a community run day with the aim of rehoming items you no longer need and give them to someone who might use them.

## TOP TIPS

In the morning, pop all your things out on a blanket, table or even just the grass. Don't forget a big sign saying "FREE".

What can I pass on?  
Anything really as long as it is clean and in working order, not broken.

Promote this on your local community page, Facebook, get your friends and neighbours involved.

For more information on how to pass on things you no longer need, check out the [Recycle Devon website](#).
